## Welcome to the Autumn 2021 Edition of Rosslare Newsletter

Having come through yet another challenging holiday season, surely we can now hope that the worst is behind us. As new uniforms and booklists take the place of tennis shoes and beach towels, and the children (and their parents!) look forward to a new school year, we would like to take the opportunity to thank you for your unstinting support for the Centre throughout the Spring and Summer of 2021

Faced with essential development and maintenance costs of over €130,000, the Board decided on an online auction; a sub-committee was formed and set about securing an amazing collection of lots, including art, jewellery, dining experiences, golf days and hotel breaks. Thanks to the auction committee's dedication and the overwhelming generosity of donors and bidders alike, the venture raised over €22,000, an incredible kickstart to our efforts.

Then along came Summer, and we cautiously emerged into the sunlight and back to our desks to put together our holiday programme, mindful of the need to focus on outdoor activities. Thankfully the sun decided to co-operate (most of the time!) and we were able to deliver a full programme of sporting activities including FAI and tennis camps. Many of our usual visitors moved their activities outdoors – like the true professionals that they are, Shine Bright drama camp, Superstars camp, Little Medics, Nutty Scientist and Bricks4Kidz coped magnificently with the change of venue, with only the very occasional dash to avoid the rain!

Our re-surfaced tennis courts were well and truly tested and the phenomenon that is crazy golf continues to be a big hit with players aged 8 to 80. Essential repairs were completed in the playground, allowing us to open its gates just in time for the summer surge.

Sadly, there were a number of offsite events which had to remain on hold for another year; the need to avoid large gatherings meant we were unable to feature our annual Teddy Bears Picnic, Beach Party, family bingo nights or Field Day, but with a little luck, and a fair wind..... We are grateful that the Annual Golf Classic was able to go ahead, and would like to extend our thanks to Jim Hennessy for heading up this event

The Board at RCDA would like to extend a huge THANK YOU to all of you – the children whose insatiable appetite for the '50 cent bag' never fails to amaze, the tennis players, the bowlers, the golfers, the second hand book-buyers, the auction bidder and donors, the camp organisers. Although our activities may drop a gear from September, we look forward to welcoming back the various clubs and groups who use our training facilities during the winter months. Further lifting of restrictions from 20 September allows us to extend our facilities to anyone requiring indoor space to meet. Please contact us on 053 9132202 to discuss your requirements and we will be happy to help.
