

Rosslare Newsletter

Welcome to the December
Edition of Rosslare Newsletter

Another year is almost over; before we know it, we're replacing pumpkins with sparkly fairy lights, swapping the BBQ for kindling and firelighters and decorating an indoor tree instead of pruning back the growth in the garden. As we head towards that reflective time of year, here at the Centre we have been taking a look back on the

highlights of 2023 We had a number of major undertakings this year. First up was the conversion of one of our hard tennis court into two Padel courts. Padel is one of the fastest growing sports in Europe and, thanks to the generosity of a number of centre family members, and the organisational skills of Bill Kelly, Rosslare is now firmly on the Padel map. Long awaited improvements to our Bowling Green were carried out in the Spring of 2023 and we can now boast a world class 4 lane green. This project was completed in partnership with a number of local organisations. Thanks to Leader funding, the Centre is now warmer and safer with the installation of new windows, an automatic front door, fire doors, new fencing and gates. For more detail on these and other projects, please see our enclosed Review. Looking ahead to 2024, our main focus will be on the demolition and replacement of our Maintenance sheds, and the Men's and Women's sheds. Of course, any major development work brings with it some disruption and we thank you all for your patience and forbearance while works are carried out. We hope you will agree the inconvenience is worth it! Our main social gatherings, SummerFest in July, and our Christmas market in December proved to be a great success, with a wonderful turnout at both events. Once we've recharged our batteries over the Christmas break, plans for 2024's events will be underway.

Our community Centre is nothing without the people who support it and the Staff and Board at RCDA would like to wish you all a happy Christmas and a peaceful New Year with your loved ones; we look forward to seeing you in 2024.

Happy Christmas
